Order Form

## Application for compressed gas and liquid gas cylinders

Deadline  
**22/01/16**  
**07/07/16**

You will find further information at section 5.7 of the Technical Guidelines

Unless written permission has been given, the stocking, storage and use of gases in pressurised gas cylinders, liquid gas bottles, cryogenic tanks etc. is prohibited in the exhibition halls and in the outdoor space. Gases must be handled in compliance with the relevant regulations (e.g. as provided by professional associations and in industrial safety regulations). All containers must be protected against impact, toppling, unauthorised access and heat. The amount that is stored on a stand must not exceed daily requirement. This application must be shown to Messe Düsseldorf GmbH together with the permit whenever requested.

**A processing fee of € 200 will be charged for applications for approval not submitted or those submitted after the deadline.**
