Provisions on anchoring exhibits to the floor.

- 1. The affixing (securing) of machinery and other building components using floor anchors is only possible with written consent from Messe Düsseldorf.
2. Drill holes must be at least 25 cm away from supply and access channels
3. The orderer is responsible for the work; the registered anchors are checked on site by the hall inspector in charge.
4. Closing or sealing of the drill holes after the event is done by Messe Düsseldorf.

Exhibitors will be charged an amount of € 90 per drill hole for each unregistered drill hole or in case of exceedance of the amount allowed by Messe Düsseldorf.
No exhibitor shall be entitled to bring and use floor anchoring systems.
In the event of a violation of the provisions, Messe Düsseldorf reserves the right to use the deposit made by the exhibitor for technical services for the remedy of the damage caused to the building.
